# About us

Trisun Ltd. is a leading raw materials supplier and products manufacturer for a wide array of industries for over 30 years. We are part of an international consortium involved in all stages of the production chain, starting in agriculture, continuing through manufacturing, and progressing all the way to marketing, sales, and commercial activities.

**Trisun supplies raw materials to several major industries, such as:**

Food and Beverages, Food Preparation.

Cosmetics, Beauty, Home Care and more.

Trisun is a leading global supplier of Sesame Seeds, Tahini and Halvah.

Trisun is the official exporter of Vgarden, a manufacturer of innovative, premium quality vegan cheese and meat alternatives.

When you buy from Trisun, you gain the sense of security and peace of mind that the product you ordered is the product you'll get - on time and with no surprises.

We make sure every order is handled smoothly and completely hassle-free.

Subject to season and availability

### Food Preparation

We offer a variety of processed fruit products for the food industry including bakeries, catering companies, dairies and other food service providers. From baking jams, injection jams, and fruit fillings, to candied fruit, fruit for yogurt, fruit purees used in ice cream, cake creams and toppings.

We also offer non-fruit fillings like mocha, nougat, and vanilla, chocolate coatings, and a variety of products guaranteed to transform any pastry, ice cream, or dairy product into a delicacy.

All our products are manufactured using the highest standards, undergo rigorous testing and inspection, and are packed to preserve freshness.

### Supplements and food ingredients

We supply various types of food supplements, acids, and vitamins for a wide range of applications, from standard juices to innovative vegan superfoods and more.

## Sesame seeds

Trisun supplies all sesame varieties including Tahini and Halva as raw material and as Privet Label.

We work with the best growers and suppliers in the world, from all relevant countries that grow sesame, this allows us to provide products at attractive prices, under the most stringent quality standards with uncompromising high-level service.

# Just 100% vegan goodness

Trisun, is the official exporter of Vgarden, a manufacturer of innovative, premium quality vegan cheese and meat substitutes.

## Our Dairy alternative products are:

Vegan and free of dairy components (lactose and casein), cholesterol, soy, trans fat, gluten, and other allergens, and are non-GMO.

## Our Meat alternative products are:

Vegan, high in protein and low in fat. They are cholesterol, trans fat and egg free, and are non-GMO.

Our products are marketed worldwide from Australia, the USA, Europe and the Far East, to both retail and the food service market: hotels, restaurants, pizzerias ,cafes ,etc.

We believe that vegans ,allergen-sensitive people, and flexitarians should be able to enjoy the delicious dishes they love and miss from childhood – only 100% vegan, more nutritious, healthy, and environmentally responsible.
